Dear Chairman Pai,  
I write to support the Comments of the Cable Act Preservation Alliance (“CAPA”) and to disapprove of the proposals and tentative conclusions set forth in the FCC’s September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

Local community media organizations funded by cable television, like Cambridge Community Television, contribute significantly to their communities. They work with youth and seniors to expose them to new technologies. This is incredibly valuable work. If they can no longer provide these services, who will?

Please do not gut their funding. This is not a solution that will work for our communities.

Sincerely,

Margaret Barrett
